7	10	Point no 3.11	As per Ministry of Finance, Department of Expenditure, Public Procurement Division Order (Public procurement No. 1) F.No.6/18/2019-PPD dated 23rd July, 2020 regarding Restrictions under Rule 144 (xi) of General Finance Rules (GFRs), 2017, Any Bidder (including members of consortium) from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority. In work contracts, including turnkey contracts, contractors shall not be allowed to sub-contract to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. A certificate of compliance with this order should be submitted by bidder along with technical bid, if applicable. Bidder shall submit the declaration about country of origin for the Quoted equipment in technical bid.	Kindly clarify that if this clause is also applicable at Component level of major equipment. i e, if any Indian Manufacturer is using components from a country which share land border with India & assembles its product in India, then it will be restricted to participate Kindly clarify.	The existing clause is applicable to components.
8	33	Comprehensive Annual Maintenance Contract(AMC)	The bidder will be responsible for providing 3 years Comprehensive AMC services after completion of initial 2 years'warrantyperiod	We are considering the CAMC for only the products we are supplying against this tender, we have not considered any product that are under BMTC scope of supply. We request BMTC to kindly confirm the same	The Bidder has to provide Comprehensive AMC services only for products supplied by them.
9	46	dynamometers	In the absence of dedicated cycle and procedures for loaded mode testing in Indian scenario, it has been decided to incorporate dynamometers for loaded mode emission test at later stage in the same ATS. Therefore, the bidder is required to cater the provision for installing the dynamometers for loaded mode emission test in future.	Kindly clarify on this point/clause, whether Bidder need to include this cost of Dynamometer in the Bid	Dynamometers are not reqired. The Bidder shall not include the cost of the same in his Bid.
